### NOTES:

- Our principle of operation, is based on Managing business using Lessons learned on Feasibility of the Decision.
- When finding a tender, You will receive information for tenders announced by state authorities, private companies, and international financial agencies for which deadline for placing bid is not met. Information about when where and how You might to participate.
- When searching for a subcontractor, You will receive contact and description of all subcontractors in requested industry, sorted by amount of contracts for public procurement in previous 3 years.
- For each project further, we sign a statement of material, moral and criminal responsibility on discretion assurance.
- It is possible to group services by own choice.

\*Price classes depend on the type of project, where:

	S.A.	P.A.
Class I	0-20k€
